THERE'S ONLY ONE #1 RATED BRAND

EGO is the #1 rated brand in cordless outdoor power and the undisputed leader in cutting-edge technology and design. Every tool in our platform delivers or exceeds the power of gas—without the noise, fuss, or fumes. Our patented ARC Lithium™ technology makes the EGO POWER+ platform the most advanced in the industry and universally compatible with all 70+ in the growing EGO POWER+ platform and packed with power for unrivaled performance and long run times. In every season, for any outdoor challenge, count on EGO tools to deliver the power, performance, and innovation you need.

#1 RATED BRAND

EGO is the #1 rated brand in cordless outdoor power according to industry experts and purchasers based on power, performance, durability, and value.

POWER AND PERFORMANCE OF GAS

All EGO tools deliver or exceeds the power and performance of gas—without the noise, fuss, or fumes—guaranteeing maximum power, longer run times, and industry-leading recharge times.

INDUSTRY'S MOST ADVANCED TECHNOLOGY

Our patented ARC Lithium™ technology is the most advanced in the OPE industry with its shock-resistant design, intelligent power management, ARC Lithium™ design, and keep-cool cell technology.

INNOVATION

No matter which EGO tool you use, you can expect groundbreaking innovation that solves for pain points, such as such as world's first LINE IQ™ Technology, World's first platform-compatible ZTR and world's first auto tensioning technology.

POWER OF GAS

NO NOISE, FUSS, OR FUMES

ERGONOMIC DESIGN

DURABLE BUILD

PLATFORM COMPATIBILITY

RELIABLE OPERATION

FASTER CHARGING

AND LONGER RUN TIMES

THE MOST ADVANCED TECHNOLOGY IN THE INDUSTRY

Our patented 56V ARC Lithium™ technology is the most advanced in the industry. Unlike other battery packs—which are shaped like bricks and retain heat—ours follows a patented “arc” design to prevent overheating and push heat away. The sealed, shock-resistant design protects batteries from drops and the elements—guaranteeing the highest level of performance and durability. Inside, we developed the most advanced software-management system to maximize power and run time. Our proprietary Keep Cool™ cell technology works with each battery cell to maintain long-lasting power and unmatched performance. With the industry's most advanced battery technology, every tool delivers or exceeds the power and performance of gas without the noise, fuss, or fumes.

BETTER PERFORMANCE IS BUILT IN

No matter which EGO battery you choose, you'll get:

- Protection from drops and the elements, thanks to our shock-resistant design
- Our patented power management system to maximize power and runtime
- Revolutionary phase-change material that keeps cells running cool
- An integrated fuel gauge that shows you how much power is left
- A three-year limited warranty*

*Up to 5 depending on model. See egopowerplus.com for details.

ARC LITHIUM™ 56V

WHAT MAKES EGO SUPERIOR? INDUSTRY'S MOST ADVANCED TECHNOLOGY

SHOCK-RESISTANT DESIGN
EGO's sealed and shock-resistant design protects batteries from drops and the elements—guaranteeing the highest level of performance and durability.

INTELLIGENT POWER MANAGEMENT
EGO's intelligent power management monitors and optimizes each individual battery cell to maximize power, performance, and run time.

56V ARC LITHIUM™
EGO's ARC Lithium™ design keeps the battery from overheating and your equipment running longer at full power.

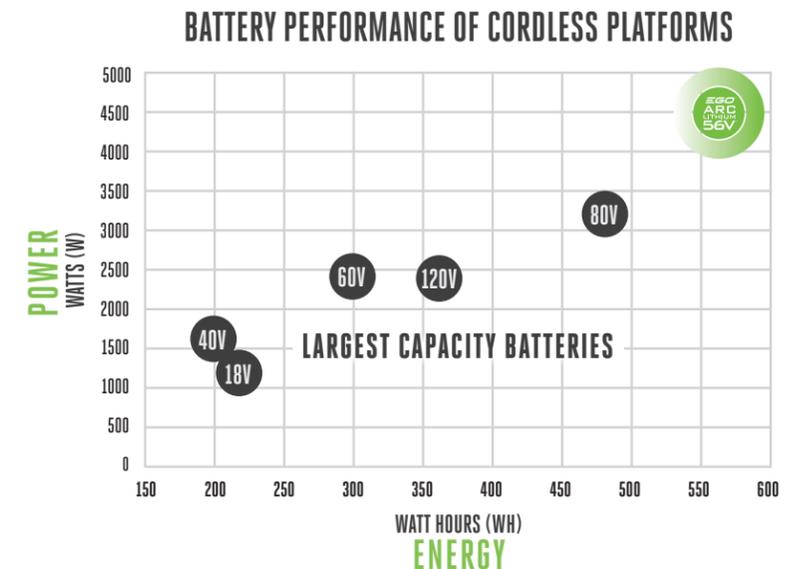

KEEP-COOL CELL TECHNOLOGY
Each cell of the EGO POWER+ battery is surrounded by revolutionary phase-changing material that pushes heat away.

*only for 2.5Ah, 4.0Ah and 5.0Ah batteries

BATTERY EXPERTISE
Over 25 years' experience in developing best-in-class batteries in-house

56V BATTERIES DELIVER MORE USABLE POWER THAN ANY OTHER HANDHELD BATTERY

NOT ALL VOLTS ARE CREATED EQUAL

VOLTAGE ≠ PERFORMANCE

Performance of a battery is determined by a combination of **ENERGY(Wh)** and **POWER(W)**

$$\text{CAPACITY (Ah)} \times \text{VOLTAGE (V)} = \text{ENERGY (Wh)}$$

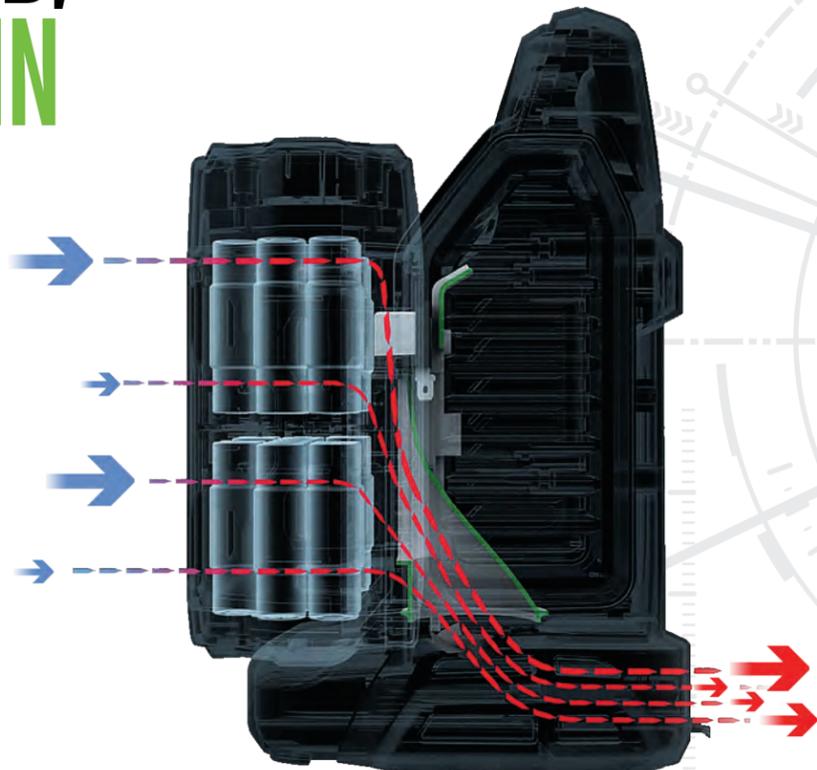

$$\text{VOLTAGE (V)} \times \text{CURRENT (A)} = \text{POWER (W)}$$

FROM EMPTY TO FULLY CHARGED, IN JUST 30 MIN

With a range of battery sizes available from 2.5Ah to 12Ah, you can choose the power you need. When it's time to recharge, the EGO POWER+ Turbo Charger is among the fastest on the market. The intelligent battery control system constantly monitors each cell's charge and temperature to deliver the most efficient and quickest charge.

Plus, the fan-cooling system allows the battery to start charging sooner and finish faster. As a result, the time it takes to refuel the battery is often less than the run time you get from a full charge. So you'll always have a battery ready for all-day power and run time.

POWER+ LINE UP 2023

EGO[™]
POWER BEYOND BELIEF[™]

Z6 POWER LIKE NO OTHER

The EGO Power+ Z6 Zero Turn Riding Mower is a ZTR like nothing else out there. Featuring Peak Power™+ technology, it's powered by up to 6 EGO 56V ARC Lithium™ Batteries—the same battery technology powering all EGO products, making it the world's first platform compatible rider. Delivering 22 to 25 horsepower—equivalent to a gas engine—and reaching a top speed of 8 MPH, the Z6 covers up to 2 acres (ZT4204L), 2.5 acres (ZT4204S), or 4 acres (ZT5207L) on a single charge. It's fully expandable—add more batteries to cut as many acres as needed! The Industry's Fastest Charger fully charges 40Ah in just 2 hours, 4x faster than competitors. Independent brushless motors deliver the power and performance of gas. Adjustable seat suspension delivers a comfortable mowing experience. Customize the ride with an LCD interface featuring 3 driving modes—Control, Standard, and Sport—that can be accessed with the simple touch of a finger. Premium features like LED lights, a USB charging port, and Bluetooth come standard to make the experience unlike any other ZTR on the market. Experience zero-turn mowing like never before with the EGO Z6 Power+ Zero Turn Riding Mowers, with 3 models to choose from—Power Like No Other.

INDUSTRY'S #1 RATED CORDLESS LAWN MOWERS

The EGO POWER+ 21" Select Cut™ XP Mower with Speed IQ™ self-propel technology digitally senses and adapts speed to your stride, no levers or dials to adjust. Plus, an industry-first digital display integrated into the handlebar provides real-time information to monitor lawn mower speed, battery charge status, and blade speed selection.

The 21" Select Cut™ XP Mower with Speed IQ™ delivers 8.3 foot-pounds of cutting torque—power that exceeds gas without the noise, fuss, or fumes. The Select Cut™ Multi-Blade System is equipped with three interchangeable lower blades: the Mulching Blade, High Lift Bagging Blade, and Extended Run Time Blade.

This cordless lawn mower harnesses the power of the industry's most advanced 56V ARC Lithium™ batteries to deliver up to 90 minutes of runtime on a single charge.

INDUSTRY'S SMARTEST MOWER

WORLD'S MOST INNOVATIVE STRING TRIMMER ASSORTMENT

The EGO POWER+ String Trimmer assortment features everything from industry-leading innovations to a large cutting swath to cut any task down to size.

Patented Line IQ™ technology is the world's first auto-sensing technology that monitors and feeds the line for a continuous 16-inch cutting swath for non-stop, high-performance trimming—no bump needed! Patented POWERLOAD™ technology automatically winds your trimmer line to make line replacement as easy as feeding the line into the head and pressing a button!

A carbon fiber shaft makes the POWER+ POWERLOAD™ String Trimmer with LINE IQ™ the strongest string trimmer on the market, with the shaft backed by a lifetime warranty.

PTIA 2022 AWARD WINNER

- VARIABLE SPEED TRIGGER WITH INTEGRATED LOCK OFF

**WORLD'S MOST POWERFUL
HANDHELD BLOWER**

**MORE POWER
THAN A HANDHELD
GAS BLOWER**

Powered by a high-efficiency brushless motor, EGO POWER+ Blowers feature jet turbine technology and a large diameter tube to give maximum airflow.

The variable-speed function is designed to keep you in control, even in Turbo mode that's capable of pushing air up to 200 MPH, depending on the model. That's more than most hand-held gas blowers on the market and that's enough to easily power through wet leaves, caked on grass, rocks, mud, snow and more.

THE EGO MULTI-HEAD SYSTEM, ONE HEAD POWERS ALL TOOLS

With a single power unit and many different attachments, it's easy to see why the EGO POWER+ Power Head System is a very handy tool to have around. The simple and secure tool-free coupling makes switching attachments quick, easy, and safe. And with our innovative 56V ARC Lithium™ battery supplying all the power you need, you can breeze through a variety of jobs without the fuss or fumes and with less noise than traditional gas-powered tools. Plus the extension pole gives you the reach to tackle any height.

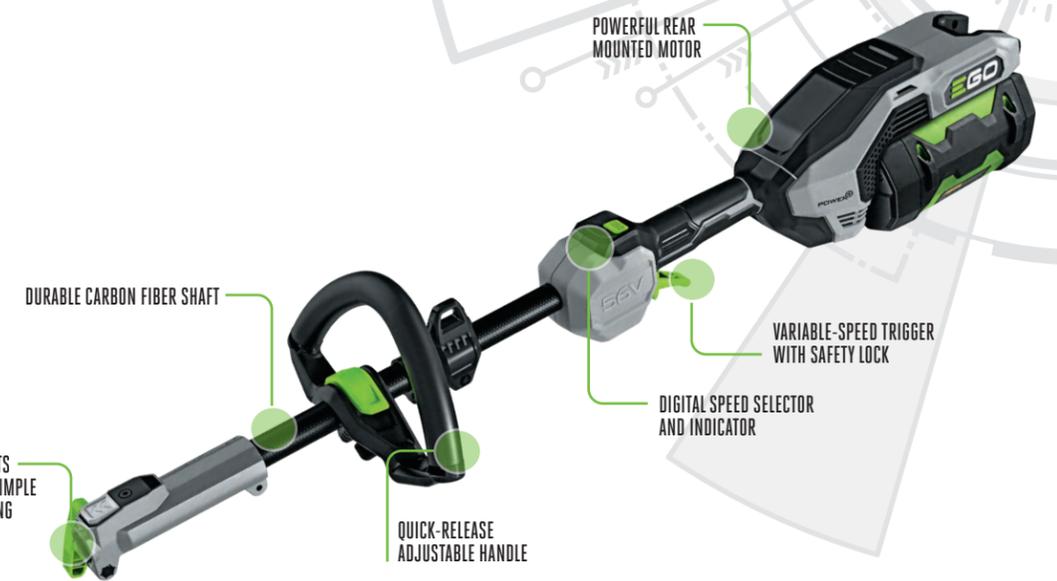

ATTACHMENTS AVAILABLE:

- Extension pole
- Pole saw
- String trimmer
- Hedge trimmer
- Edger
- Cultivator
- Bristle brush
- Rubber broom
- Snow shovel

PH1420 POWER+ CARBON FIBER POWER HEAD

With a powerful and smooth high-efficiency brushless motor, it's lightweight, perfectly balanced, and ready for any job, big or small

	PH1400	PH1420
MOTOR TYPE	Brushless	Brushless
ROTATING DIRECTION	Counter-clockwise	Counter-clockwise
SPEED CONTROL	2-speed Variable	Digital 2-speed Variable
DRIVE SHAFT MATERIAL	7mm solid steel	7mm solid steel
DRIVE TUBE TYPE	Aluminium	Carbon fiber
COUPLING MECHANISM	Tool-free quick change	Tool-free quick change
WEIGHT	5.8 lbs	6.1 lbs

MULTI-TOOL SETS	INCLUDES
MST1501	PH1400, STA1500
MHC1502	PH1400, STA1500 and EA0800
ME0800	PH1400, EA0800

EXTENSION POLE

Nothing is out of reach with this strong yet lightweight extension pole; just click in the attachment you need and off you go

ADVANCED TOOL-FREE TENSIONING TECHNOLOGY

EGO POWER+ Chain Saws are built tough to tackle even the hardest jobs. From branches to logs and trunks, nothing gets in its way.

The tool-free chain tensioning system makes for simple setup and easy on-the-fly adjustments. Check the lubrication level through the oil inspection window and you're ready to go.

It really cuts it when it comes to safety, too. The chain kickback and electric brake protect you while you work. And the auto-lubrication system keeps the chain spinning freely at all times.

Plus, with EGO's 56V ARC Lithium™ battery delivering impressive run times and incredible power on a single charge, it'll keep you working cut after cut after.

INDUSTRY'S FIRST LED CUT LINE INDICATOR

Introducing the industry-first's LED Cut Line Indicator for more accurate cuts when working under dark, shaded canopies and low light conditions. Its telescopic carbon fiber shaft extends for a total reach up to 17 feet (when using the extension pole) while maintaining best-in-class weight up to 30 percent lighter than other pole saws. Tool-free tensioning provides fast, precise chain tensioning so you can get back to work faster.

EP1000 POLE SAW EXTENSION POLE

The EGO POWER+ 26" Hedge Trimmer features dual-action blades that deliver up to 3,400 strokes per minute for fast, clean cuts. Its strong and light carbon fiber rail is an industry first, delivering ultimate durability, backed by a lifetime warranty. The hedge trimmer features a five-position, 180-degree rotating handle that delivers ultimate control. This cordless hedge trimmer has a 1.2-inch cut capacity to tackle thicker branches along with a serviceable gearbox to make blade sharpening quick and easy. Its high-efficiency brushless motor delivers long runtime, low vibrations, and extended tool life. IPX4-rated weather resistance delivers protection from the elements. Experience a cordless hedge trimmer that can truly replace gas.

WORLD'S MOST POWERFUL MISTING FAN

Introducing the EGO POWER+ 18" Misting Fan! This fan has double the airflow of a standard 20-inch box fan. Five different speed settings allow you to adjust airflow to your liking from 1,500 CFM to 5,000 CFM for ultimate control. With its telescopic handle and durable wheels, take advantage of superior portability. Bring to sporting events, tailgates, beach days, patio hangouts, and more! Ideal for cooling down indoor and outdoor environments with quiet operations of just 42dB on Speed 1. Simply drop the intake filter in a bucket to cool down 540 square feet, equivalent to a large entertainment patio!

TAKE ON ANYTHING WINTER THROWS AT YOU

The EGO POWER+ 2-Stage Snow Blower is a heavy-duty workhorse with Peak Power™ technology, which combines the power of any two EGO 56V ARC Lithium™ batteries to tackle the toughest snow conditions and what the snowplow leaves behind with ease. Get the job done quickly with the 24-inch clearing width and 20-inch intake height to push through even the heaviest of wet snow. Four LED lights make it easy for use in early morning or evening. On just a single charge, this self-propelled snowblower can clear up to 8 inches of dense snow from a 24-car driveway before launching it 50 feet in the direction of your liking. And heavy duty, thick-tread tires make commanding your way through a whiteout effortless. The EGO POWER+ 2-Stage Snow Blower exceeds the power and performance of gas without the noise, fuss, or fumes.

PEAK POWER TECHNOLOGY™

PEAK POWER™ TECHNOLOGY

COMBINES THE POWER OF ANY TWO EGO ARC LITHIUM™ BATTERIES

SNT2125AP EGO POWER+ AUGER-PROPELLED SNOW BLOWER

Auger-Propelled design and 45'-throwing distance

STARTS THE FIRST TIME, EVERY TIME

Featuring Peak Power™ technology the EGO POWER+ Snow Blower combines the power of any two EGO 56V ARC Lithium™ batteries for superior clearing power, even heavy, wet snow. Built with a high-efficiency brushless motor and a 21-inch clearing width, it can handle what the city snowplow leaves behind with ease.

Easily adjust the variable-speed auger for maximum control and to throw snow up to 40 feet! A robust, handle-mounted chute-adjustment lever puts the user in control when re-directing the snow up to 180 degrees from side to side. Two bright LED headlights make it convenient for use early in the morning or at night, and the robust steel chassis is built for aggressive use in demanding conditions.

POWER WHEN YOU WANT IT POWER WHEN YOU NEED IT

A true alternative to compact gas generators

Say goodbye to the gas generator. The EGO Nexus Power Station can harness the power of any EGO battery to deliver clean, quiet power—indoors or out.

The Nexus Power Station is the first portable power station of its kind. Use in a power outage to plug in your refrigerator so the food does not spoil or plug in your microwave to cook the family a quick dinner. Bring the power station anywhere you do not have convenient power, like camping, hiking, boating, tailgating—the possibilities are endless.

PST3042 / PST3041 / PST3040 3000W NEXUS POWER STATION

World's first battery power source to match gas generators

PAD1500 150W NEXUS ESCAPE

Built tough with a 120V AC power outlet and two USB ports

PAD5000 400W NEXUS ESCAPE

Power up to four total devices simultaneously or charge your 56V EGO Battery

CH1800 SOLAR PANEL CHARGER

Connect your solar panel charger to your EGO Nexus Power Station for convenient solar recharging with up to 180W of charging with 12V solar panels.

COMING SOON

SETTING THE NEW STANDARD

Introducing the new EGO Commercial Series. The next generation of pro tools delivers all-day power and performance, 365 days a year. And it's no longer driven by gas.

EGO sets a new standard in **POWER, PERFORMANCE & DURABILITY.**

- Powered by EGO 56V ARC Lithium™ battery technology
- Carbon fiber shafts for ultimate durability
- IPX5 weather-resistant construction
- Digital brushless motors with intelligent power management
- Backed by 2-year warranty
- UV-resistant composite

LBPX8000 (COMING SOON) EGO COMMERCIAL 800 CFM BACKPACK BLOWER WITH PEAK POWER™

The next-generation EGO Commercial 800 CFM Backpack Blower delivers 800 CFM, air speeds up to 190 MPH, and 26N push force for all-day power and uptime. This battery-powered backpack blower features a high-performance 1900W brushless motor with intelligent electronics to deliver power equivalent to a 60cc gas engine. Tailor performance with digital controls including a battery level indicator and speed control with turbo lock on the blower's fully adjustable hand grip and tube.

- Brushless motor delivers 1900W max power, 1700W rated power
- Peak Power™ combines the power of any two EGO 56V ARC Lithium™ batteries to deliver 800 CFM
- Runs up to 60 minutes on high with two 56V 12.0Ah ARC Lithium™ batteries
- 65 db(A)

* Compared to previous EGO model

**60% MORE
POWER***

STX4500 (COMING SOON) EGO COMMERCIAL 17.5" STRING TRIMMER

The next-generation EGO Commercial 17.5" String Trimmer features a 1600W high-performance brushless motor with intelligent electronics to deliver power equivalent to a 35cc gas engine. Its commercial-grade construction is built for 5X longer life and features a lightweight and durable carbon fiber shaft designed to stand up to the hazards of all-day professional use and transport between jobs. It features UV-resistant composite housing and IPX5-rated weather resistance to take on the toughest conditions. The string trimmer features a 17.5-inch cutting capacity along with a Rapid Reload head that gets you back to work in seconds. The trimmer head can take .095 to .120-inch line with a 26-foot load capacity so you can work uninterrupted.

- 35cc gas engine equivalent
- Brushless motor delivers 1600W max power, 900W rated power
- Runs up to 60 minutes on low with a 56V 5.0Ah ARC Lithium™ battery
- Carbon fiber shaft for ultimate durability
- Three-speed digital control: 3,500 / 4,500 / 5,200 RPM
- Rapid Reload allows you to get back to work in seconds
- 2-year warranty without wear-and-tear exclusions

* Compared to previous EGO model

**20% MORE
POWER***

BCX4500 (COMING SOON) EGO COMMERCIAL 12" BIKE HANDLE BRUSH CUTTER

The EGO Commercial 12" Bike Handle Brush Cutter delivers more power than leading gas equivalents with its 1,600W high-performance brushless motor and intelligent electronics delivering 35cc equivalent. This durable brush cutter is designed for 5X longer life under all-day professional use in the toughest conditions with its UV-resistant composite housing, IPX5-rated weather resistance, and strong and lightweight carbon fiber shaft. Plus, a variable speed, instant-on trigger for control and easier sweeping motion to power through everything from fine fescue grass to 1-inch saplings.

- 35cc gas engine equivalent with 10% more power than leading gas brush cutters (see below*)
- Brushless motor delivers 1,600W max power, 900W rated power
- Runs up to 60 minutes on low with a 56V 7.5Ah ARC Lithium™ battery

* Compared to gas model STIHL FS111

**MORE POWER
THAN GAS***

INDUSTRY LEADING DURABILITY

HTX5300-P (COMING SOON) EGO COMMERCIAL FIXED SHORT POLE HEDGE TRIMMER

The EGO Commercial Fixed Short Pole Hedge Trimmer features industry-leading durability with a carbon fiber shaft and rails. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance provides 5X longer life for all-day trimming, sculpting, shaping, and pruning in the toughest conditions. Powered by 56V ARC Lithium™, its 1000W high-performance brushless motor with intelligent electronics delivers the power of a 25cc gas engine.

- 25cc gas engine equivalent
- Brushless motor delivers 1000W max power / 650W rated power
- Runs up to 75 minutes with a 56V 2.5Ah ARC Lithium™ battery on low
- Carbon fiber shaft and rail for ultimate durability
- Serviceable gearbox and blades provide easy sharpening and customization to minimize downtime

EDX2000 (COMING SOON) EGO COMMERCIAL 8" STRAIGHT EDGER INDUSTRY LEADING DURABILITY

The next-generation EGO Commercial Straight Edger features a strong, lightweight carbon fiber shaft for ultimate durability for all day professional use. Up to 1500W high-performance brushless motor with intelligent electronics is powered by 56V ARC Lithium™ to deliver the power of a 25cc gas engine. It has an 8-inch blade, adjustable guide wheel, and 3-inch max cutting depth. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance for all-day uptime in the toughest conditions.

- 25cc gas engine equivalent
- Brushless motor delivers 1500W max power / 1200W rated power
- Runs up to 60 minutes with a 56V 5.0Ah ARC Lithium™ battery
- Carbon fiber shaft for ultimate durability

HTX5300-PA (COMING SOON) EGO COMMERCIAL ARTICULATING POLE HEDGE TRIMMER

The EGO Commercial Articulating Pole Hedge Trimmer features industry-leading durability with a carbon fiber shaft and rails. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance provides longer life for all-day trimming, sculpting, and pruning in the toughest conditions. Its articulating head rotates 135 degrees across 10 positions for ultimate control and precision. Powered by 56V ARC Lithium™, its 1000W high-performance brushless motor with intelligent electronics delivers the power of a 25cc gas engine.

- 25cc gas engine equivalent
- Brushless motor delivers 1000W max power / 650W rated power
- Runs up to 75 minutes with a 56V 2.5Ah ARC Lithium™ battery on low
- Carbon fiber shaft and rail for ultimate durability
- 135-degree, 10-position articulating head for ultimate control
- Serviceable gearbox and blades provide easy sharpening and customization

EDX2000-C (COMING SOON) EGO COMMERCIAL 8" CURVED EDGER INDUSTRY LEADING DURABILITY

The new EGO Commercial Curved Edger features a thick curved aluminum shaft for ultimate control and visibility around curves. Its up to 1500W high-performance brushless motor with intelligent electronics is powered by 56V ARC Lithium™ to deliver the power of a 25cc gas engine. It has an 8-inch blade, adjustable guide wheel, and 3-inch max cutting depth. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance deliver all-day uptime in the toughest conditions.

- 25cc gas engine equivalent
- Brushless motor delivers 1500W max power / 1200W rated power
- Runs up to 60 minutes with a 56V 5.0Ah ARC Lithium™ battery
- Curved thick aluminum shaft for ultimate durability and better line-of-sight

HTX5310-P (COMING SOON) EGO COMMERCIAL FIXED LONG POLE HEDGE TRIMMER

The EGO Commercial Fixed Long Pole Hedge Trimmer features industry-leading durability with a carbon fiber shaft and rails. Commercial-grade construction featuring UV-resistant composite housing and IPX5-rated weather resistance provides longer life for all-day trimming, sculpting, shaping, and pruning in the toughest conditions. Powered by 56V ARC Lithium™, its 1000W high-performance brushless motor with intelligent electronics delivers the power of a 25cc gas engine.

- 25cc gas engine equivalent
- Brushless motor delivers 1000W max power / 650W rated power
- Runs up to 75 minutes with a 56V 2.5Ah ARC Lithium™ battery on low
- Carbon fiber shaft and rail for ultimate durability
- Serviceable gearbox and blades provide easy sharpening and customization

PSX2510 (COMING SOON) EGO COMMERCIAL 10" TELESCOPIC POLE SAW INDUSTRY'S FIRST CUT LINE INDICATOR

Introducing the EGO Commercial 10" Telescopic Pole Saw with the industry's first LED Cut Line Indicator for more accurate cutting when working in shaded canopies and low light conditions. Its 1200W high-performance brushless motor is powered by 56V ARC Lithium™ to deliver power equivalent to a 25cc gas engine and 20 m/s chain speeds. Its telescopic carbon fiber shaft is strong, light, and versatile, and up to 40% lighter than leading pole saws.

- 25cc gas engine equivalent
- Brushless motor delivers 1200W max power
- Industry's first LED Cut Line Indicator guides your work in low light conditions
- IPX5 Weather Resistant
- Telescopic carbon fiber shaft
- Up to 100 cuts with a 56V 5.0 ARC Lithium™ battery

**BACKPACK BATTERIES
THAT WORK AS
HARD AS YOU DO**

Team up your EGO POWER+ tools with one of our lithium-ion backpacks

Balancing exceptional power with user comfort, EGO's lithium-ion BAX1501 backpacks are ergonomically designed to keep you working all day long. The battery pack can be removed from the harness* allowing the battery to be shared among multiple users, each with their own harness.

To ensure optimum performance, efficiency, and longevity, these high-energy capacity batteries incorporate intelligent individual cell monitoring and balancing, both when powering a tool and when recharging.

Designed to perform, built to last

Delivering the run times you demand, EGO POWER+ backpack batteries can give you a full day's work** from a single charge. The high-quality cells with both high power rating and high energy density can handle up to 1,000 charge cycles. Plus, with fast recharging you can go from empty to full in just 3.5 hours.

Flexible performance

With long run times and user-comfort, EGO POWER+ backpack batteries are perfect for all-day use. They're compatible with all EGO POWER+ tools, and as the battery is on the harness and not the tools, they are lighter and even easier to handle.

BAX1501 COMMERCIAL BACKPACK BATTERY

56V 28Ah lithium-ion backpack battery that provides the same power as 80% of gas products, without the noise, fumes, or vibration.

	BAX1501	BH1001	BHX1001		ADB1000

THE TOUGH ANSWER TO ROUGH GROUND

Perfectly balanced for comfortable use, the EGO Power+ Commercial Backpack Series String Trimmer make short work of even the roughest ground. Power comes from EGO's Commercial Backpack Battery and the ready-for-anything 2,000-watt motor.

All this is channeled through the light and durable carbon fiber shaft. Unlike alloy shafts, it won't bend and lose its shape over time, keeping vibration levels to a minimum.

STX3800 COMMERCIAL BACKPACK SERIES STRING TRIMMER

Leave the fuss and fumes of gas behind with this powerful, pro-standard tool. Pair up with our Commercial Backpack Battery BAX1501 for all-day power and comfort.

	STX3800
CUTTING WIDTH – Line trimmer head	15"
TOTAL LENGTH	73" / 6'
RUN TIME* WITH BAX1501 BATTERY	With trimmer head Up to 300 mins
SPEED CONTROL	Constant variable speed
NO LOAD SPEEDS	5700 rpm
SOFT-START	Yes
LINE DIAMETER	.095" - 1.0"
LINE FEED	Manual wind bump feed head
DUAL LINE	Yes
ROTATING DIRECTION	Counter-clockwise
AUXILIARY HANDLE	Loop handle
HARNESS	Hip pad (AHP1500)
WEIGHT	14.3 lbs
MOTOR TYPE	Brushless
	With trimmer head
VIBRATION (M/S ²)	1.9/1.5

*Run time may vary and depend on the battery used, charge level of battery, condition of grass and user's operation technique.

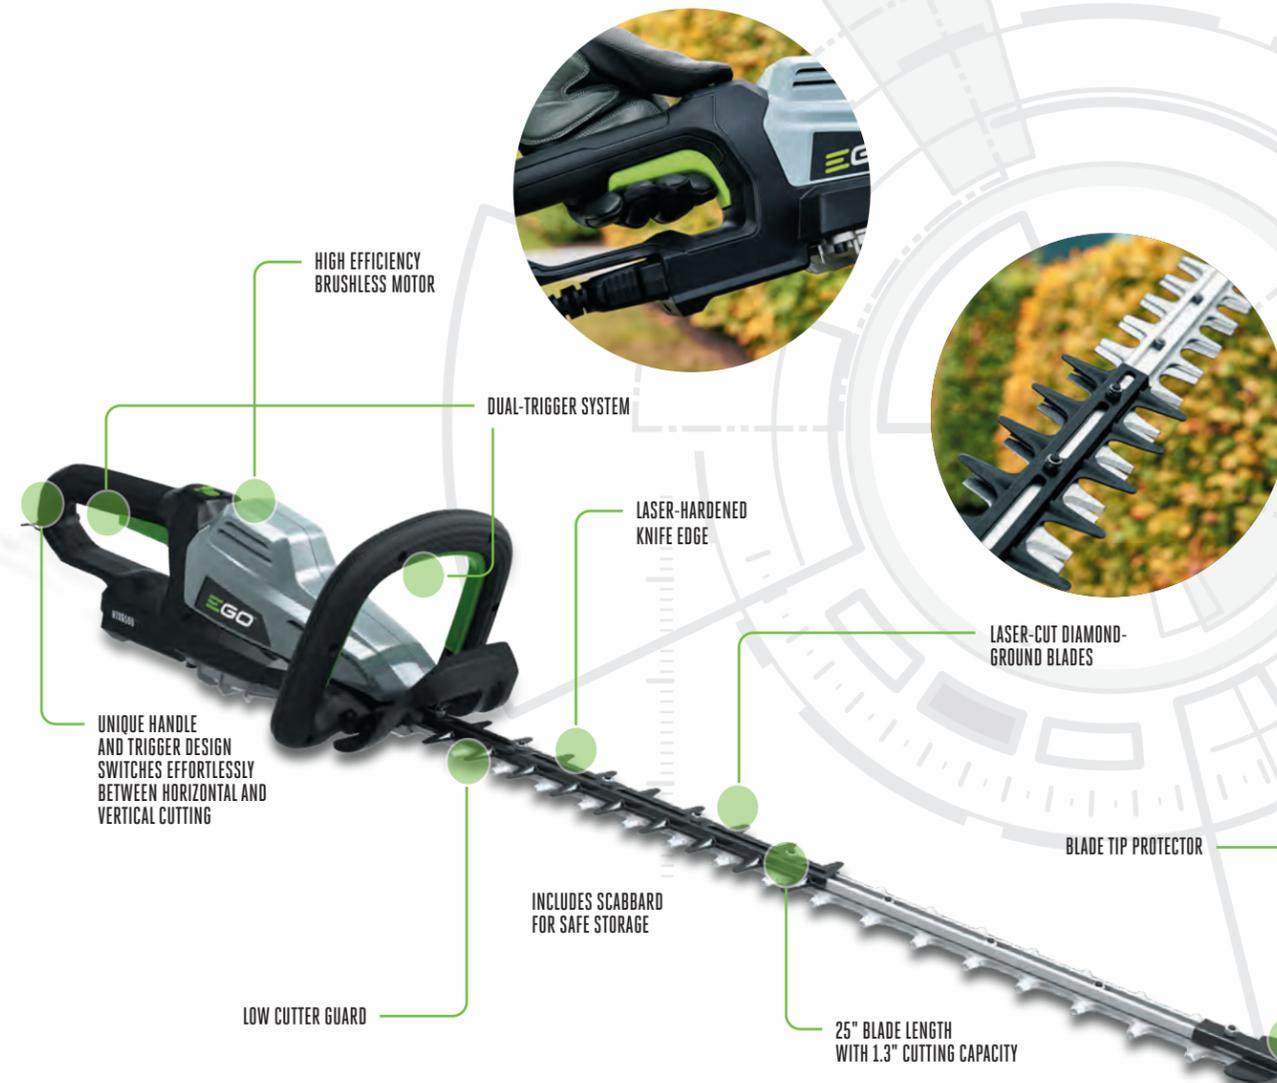

MAKES CUTTING HEDGES SHORT WORK

Designed for professionals, the Commercial Backpack Series Hedge Trimmer is precision engineered to tackle the toughest hedges with ease

Powered by the gas-matching Commercial Backpack Battery, a single charge delivers impressive run times. The smooth and quiet brushless motor and gearbox give you all the power you need, without the vibration, fumes, and noise of a gas engine.

Blades that stay sharper for longer

The high-quality EGO POWER+ blades are made from laser-cut steel with diamond-ground edges, which are laser-hardened to stay sharp longer than conventional blades.

HTX6500 COMMERCIAL BACKPACK SERIES HEDGE TRIMMER

Powerful, smooth, and perfectly balanced, the dual trigger system provides enhanced user comfort and safety. Making it perfect for any job, big or small.

	HTX6500
BLADE LENGTH	25"
CUTTING CAPACITY	1.3"
BLADE GAP	1.3"
RUN TIME* WITH BAX1501 BATTERY	Up to 420 mins
SPEED CONTROL	One-speed
NO LOAD SPEEDS	3,600 spm
BLADE TYPE	Double-sided cutting
CUTTING ACTION	Dual action; double-sided cutting
BLADE TIP PROTECTOR	Yes
ROTATING HANDLE	No
WEIGHT	8.5 lbs
MOTOR TYPE	Brushless
VIBRATION (M/S²)	3.2/3.9

*Run time may vary and depend on the battery used, charge level of battery, condition of hedge and user's operation technique.

INDUSTRY'S MOST POWERFUL TOP-HANDLE CHAINSAW

EGO's arborist-specialist tool. The Top-Handle Chainsaw is designed to tackle the challenges of all-day professional use and deliver the power of gas at 37.7CC that lasts up to 265 cuts.

With industry-leading ARC Lithium™ battery technology at its heart, the Top-Handle Chainsaw provides unrivaled power, torque, and chain speed, while benefiting from longer run times and fast recharging. And with no pull-cord, no need to run the tool in idle and no hot exhaust, switching to EGO ARC Lithium™ power makes more sense than ever.

A unique Chain-Brake Safety System is a cutting-edge combination of mechanical and electronic technology reducing the risk of injury, stopping the tool's motor faster if kickback occurs.

CSX3000/CSX3003 COMMERCIAL TOP-HANDLE CHAIN SAW

Designed to deliver best-in-class power, torque, and chain speed for the professional arborist

	CSX3000/CSX3003
BAR LENGTH	12"
CHAIN SPECS	3/8" pitch / .043 gauge / 45 links
BATTERY CAPACITY (AH)	5.0 Ah
CHAIN SPEED	20m/s
WEATHER RESISTANCE	IPX4
TOTAL BATTERY ENERGY	280Wh
CUTTING CAPACITY	Up to 265 cuts (with 5.0Ah battery)
AUTO-TENSIONING	No
AUTOMATIC OILING	Yes
CHAIN KICKBACK BRAKE	Yes
WEIGHT	7.7 lbs
MOTOR TYPE	Brushless
BUCKING SPIKES	Metal
Battery status and Low Oil LED's	Yes

*Number of cuts may vary and depend on the battery used, charge level of battery and user's operation technique.
 EGO POWER+ COMMERCIAL TOP-HANDLE SAW

OUT POWERS GAS-POWERED BLOWERS

The LBX6000 delivers more blowing time, more comfort, and more power than gas.

With the ability to blow up to 600 CFM in Turbo mode, the leaves and competition don't stand a chance.

LBX6000 COMMERCIAL BACKPACK SERIES BLOWER

Designed to be used with the Commercial Backpack Battery BAX1501, this powerful blower is light and easy to handle. Plus, the smooth brushless motor reduces vibration and noise compared to its gas-powered equivalents

	LBX6000				
CONSTANT SPEED	Yes				
	Level 1	Level 2	Level 3	Level 4	Boost
