SWIVEL BARSTOOL / COUNTERSTOOL - HANOVER

Parts List

Please review all parts and hardware before disposing of any packaging. Call Customer Service if missing hardware. Do not return to store/retailer. Using a screw that is too long will cause damage. Before beginning assembly, separate each type of screw. Carefully study the screw diagrams below. You may receive extra hardware with your unit.

Avoid rubbing or scratching the
surface with rough or abrasive objects.

For replacement parts or questions, please
Call Customer Service at 1-800-633-5096
Do not return product to store, please call
Manufacturer for assistance, questions or
Parts.

SWIVEL BARSTOOL / COUNTERSTOOL - HANOVER

Assembly Instructions

Figure 1

1. Place seat frame (D) upright with crossbar for swivel unit (C) on top as shown.
2. Turn swivel unit (C) so that the two swivel plates are now off-set and are in a star pattern, as shown.
3. Place swivel unit (C) on the crossbar of seat frame (D). Fasten using four bolts (G), four lock washers (J) and four washers (K) as shown. Tighten securely.

Figure 2

1. Reverse seat frame (D) so that swivel unit (C) is facing down, as shown.
2. Attach four legs (E) to seat frame (D) using eight bolts (G), eight lock washers (J) and eight washers (K). Make sure that each leg (E) is positioned exactly as shown, and that you only tighten the bolts halfway, using the Allen wrench (L).

Figure 3

1. Position the foot-ring (F) as shown. Fasten it to the four legs (E) using four bolts (H), four lock washers (J), four washers (K) and Allen wrench (L) exactly as shown.
2. Tighten all bolts from steps 2 & 3 securely.

Figure 4

1. Place seat cushion (B) upside down on protected work surface.
2. Place backrest (A) upside down and fasten the backrest (A) to frame of seat cushion (B) securely using a bolt (I), a lock washer (J) and a washer (K) for each hole with the Allen wrench (L), as shown.

Figure 5

1. Please note that barstool base is still upside-down.
2. Secure seat frame (D) to seat cushion (B) by fastening swivel unit (C) to seat cushion (B) using four bolts (G), four lock washers (J) and four washers (K), using Allen wrench (L).

Figure 6

Place barstool upright on the floor.

** We recommend that you save the Allen wrench (L) and periodically tighten all bolts. Please make sure all bolts are placed in their proper positions and then are tightened securely to ensure your safety.

** Warning: to prevent injury, do not insert fingers between the seat and the frame.

** Weight restriction: 250 lbs.

** Intended for indoor use only.
