

With the purchase of a Triton product, the standard 1-Year warranty policy applies. To adhere to the Triton 3-Year Extended Warranty Plan, customer must register the product online (www.tritontools.com) within 30 days of purchase otherwise the standard 1-Year Warranty Plan will prevail. Customer must in any case keep his original proof of purchase for warranty service.

This policy and the warranty period, begins on the date of retail purchase as detailed on your sales receipt. If this product develops a fault within 30 days of purchase, return it to the dealer where it was purchased, with your original receipt, stating details of the fault, for product replacement.

If the product develops a fault after 30 days, a warranty claim must be submitted. Your original receipt indicating the place and date of purchase and product designation, precise details of the fault requiring correction, and your name and address, email and telephone no. , must be submitted to validate the claim.

We do not refund shipping charges. All products should be in a suitably clean and safe condition for repair, and should be packaged carefully to prevent damage or injuries during transportation. Our agents will reject unsuitable or unsafe deliveries.

All work will be carried out by Nordis or its appointed repair agents. The repair or replacement of the product will not extend, or renew the period of warranty. Retained tools, or parts, for which a replacement has been issued, will become the property of Nordis. The repair or replacement of your product under this warranty provides benefits which are additional to, and do not affect, your statutory rights as a consumer.

***Important:**

The 12 month warranty **does not apply to commercial use**. All Triton products sold for commercial use are guaranteed for **30 days only**.

What is not covered:

- Normal wear and tear caused by use in accordance with the operating instructions e.g. blades, brushes, belts, bulbs, batteries etc.
- Accidental damage, faults caused by: improper use, abnormal environmental conditions, overloading, insufficient maintenance, careless operation or handling of the product.
- Use of the product for anything other than normal domestic purposes.
- Change or modification of the product in any way.
- Defects caused by the use of parts or accessories which are not Triton genuine components.
