Use & Care Guide

$Aquakem^{TM} - Odour Skunk^{TM}$

Aquakem TM - Odour Skunk TM is a plant-based product that eliminates nasty odors at the source. While many products only mask offensive odors with strong scents, Aquakem TM - Odour Skunk TM will neutralize.

Directions:

To eliminate odours, just hold the bottle upright and spray directly on the surface or area to allow Odour Skunk™ to neutralize the bad scent.
