## PRIOR TO INSTALLATION:

- Inspect product to ensure no damages have occurred while in shipping.
- Observe all plumbing and building codes in accordance with your state and local requirements.
- The step-by-step guidelines in the installation instructions are a general reference. Should there be any discrepancies, Swiss Madison cannot be held liable. It is recommended to install all Swiss Madison products by hiring a licensed professional.
- Read installation and maintenance instructions thoroughly before installing. Be sure to use proper tools and always wear proper personal safety accessories for your protection.
- Make sure all wood studs and supports are properly installed.
- Confirm that your model will fit in intended location and plumbing fixtures are located where legally required before beginning installation.
- Verify all the necessary plumbing is installed by a certified plumber.
- This flush plate must be used with the back plate provided as a whole set.
