

Item Number: A03847

WARNING (To reduce the risk of fire, electric shock, or personal injury):

1. We suggest installation by a **licensed electrician**.
2. Please read the instruction carefully and save it as you may need it at a later time.
3. Before you start, **NEVER** attempt any work without shutting off the electricity until the work is done.
 - A) Go to the main fuse, or circuit breaker, box in your home. Place the main power switch in the **"OFF"** position.
 - B) Place the wall switch in the **"OFF"** position.
4. Mounting surface should be clean, dry, flat, strong enough and 1/4" larger than the canopy on all sides. Any gaps between the mounting surface and canopy exceeding 3/16" should be corrected as required.
5. Make sure that the ceiling or wall can stand the weight of the lamp before installation.
6. Make sure the voltage you are using is **120V**. The maximum wattage is **40W** per bulb.
7. Keep the lamp away from acidic and alkaline substances in case of damaging the surface of the lamp.
8. When replacing bulbs, you should turn off or unplug the lamp and you must wait until it is cool as bulbs get hot quickly.
9. The safety instructions appearing in this manual are not meant to cover all possible conditions that may occur. It must be understood that common sense, caution and care must be used with any electrical products.

Installation Procedures:

1. Carefully remove the fixture from the carton and check that all parts and accessories are included as shown in the following illustration.

2. Make holes in the ceiling and then knock wall anchors ① into the holes.
3. Screw metal hooks ② into wall anchors ①.
4. Weave the cable on cable clips ③, and hang cable clips ③ on metal hooks ②.
5. Install the bulb ⑤ (Not included) (Please do not exceed the maximum wattage recommended on the lamp holder.)
6. Tighten glass shade ⑥ onto metal cover ④ until snug.
7. Plug power cord ⑦ into an outlet and turn on the wall switch.
8. Check everything is already installed correctly, then you turn on the lamp by on/off switch ⑧. Enjoy!

CLEANING

To clean, wipe the fixture with a soft cloth. Clean glass with a mild cleaner (such as mild and non-abrasive soap.) Do not use abrasive materials such as scouring pads or powders, steel wool or abrasive paper.

ORDERING PARTS

Keep this sheet for future reference in case you need to order replacement parts. All parts for this fixture can be ordered from the place of purchase. Be sure to use exact wording from illustration when ordering parts.
