AIR-CARE PERMANENT/WASHABLE AIR FILTER INFORMATION

BENEFITS YOU CAN LIVE WITH!

- Never needs replacing, just wash every 4-6 weeks
- Cleaner air to breathe
- No harmful ozone emissions
- Removes pollen, dust and airborne pollutants
- High dust & particle holding capacity
- Less housecleaning
- Never needs replacing
- Anti-microbial • Lifetime warranty

AIR-CARE WASHABLE AIR FILTERS

Clean the air by using static electricity, a safe, naturally occurring phenomenon. An electrostatic charge is generated by air flowing through a maze of static prone fibers. Airborne particles are attracted and held by the static charge, until released by washing.

EASY INSTALLATION

For normal household use, installation is easily performed without professional assistance. Simply remove your old disposable air filter and replace it with your new Air-Care filter, **EITHER FRONT OR BACK SIDE WILL WORK.**

ELECTROSTATIC FILTRATION

Illustrations show typical dust loading pattern of the electrostatic fibers. This unique characteristic improves air flow while providing maximum filtration.

CLEAN

DIRTY

CLEANING IS QUICK & EASY

Suggested Schedule: Every 4-6 Weeks.

When cleaned as directed, your Air-Care filter will give you many years of trouble-free use. Failure to properly clean the filter may lessen filter effectiveness, and as with any air filter, it is possible for an excessive dirt buildup to cause air flow resistance sufficient to damage other ventilation components.

- Simply remove the air filter
- Spray water through the cleaner side to remove dirt from the dirtier side
- Then turn around and spray through the reverse side
- Spray with a FILTER CLEANER* to remove stubborn stains
- Rinse thoroughly again to remove any remaining dirt
- Drain excess water, let air dry and reinstall

* Our Filter Cleaner is a special Permanent/Washable cleaner. See your dealer for details.

Filter Cleaner

The perfect product to keep Air-Care Permanent/Washable Air Filters clean, efficient and effective.

Filter Deodorizer

High-performance concentrate spray, specially formulated to deal with problem odors.

Limited Lifetime Warranty

Air-Care warrants its filters to be free from defects in material and workmanship, to the original purchaser, for the life of the unit in which it is installed. If an Air-Care filter is determined to be defective in materials or workmanship, it will be repaired or replaced without charge to the customer. For claims under this warranty, defective filters should be returned to the place of purchase along with proof of purchase, an explanation of the defect, and shipping charges prepaid. This limited warranty covers materials and workmanship only and shall not apply to any Air-Care filter which has been modified or altered in any way, or which has been subject to misuse, excessive heat, exposure to ultraviolet, or improper installation. Customer disassembly of the filter will void this warranty. Other than this written warranty, there are no other warranties expressed, implied, or otherwise made regarding the merchantability or fitness of this product for a particular use. This warranty gives you specific legal rights and you may have other legal rights which vary from state to state. Please read Cleaning Instructions and Technical Information enclosed with the filter.
