Before Assembly:

- **Read Carefully:**
Please read these instructions thoroughly before beginning assembly.
- **Work Surface:**
We recommend assembling on a soft surface, such as a carpet, to avoid scratching the paint.
- **Child Safety:**
Keep children away during assembly. This item contains small parts that could be swallowed by children.
- **Intended Use:**
This product is designed solely for outdoor use and is not a toy. Using it for unintended purposes will void the warranty.
- **Weather Conditions:**
Do not use this product during inclement or severe weather, including (but not limited to) rain, hail, sleet, snow, wind, freezing conditions, or extreme heat.
- **Surface Appearance:**
Due to the nature of cast metal, the surface may appear rough. This roughness enhances the beauty of the product and is not a defect.
- **Handling Aluminum Parts:**
Aluminum is a soft metal. Avoid using power tools and do not overtighten, as this may strip threads or break parts.
- **Supervision:**
Children under the age of 10 should be supervised by a competent adult at all times when near the product.
- **Packaging:**
Retain all packaging until assembly is complete. Keep these instructions for future reference or warranty purposes.
